Pages in Need

These pages need contributions and editing: [Pages with the least revisions](#) and [short pages](#). We also have a [list of pages which need to be created](#); click on one to get started!

Participate!

See [what we need help with](#). You need not contribute hours- a minute or two here and there is also very useful. **We most urgently need help with converting [articles from the old wiki](#). Download a file, create a new page for it here, save the original text into the page, and then start editing.** You can report articles imported to brett dot dikeman at gmail dot com for removal from the old content directory.

- Join [the audifans wiki mailing list](#).
- Check out our [Wiki conversion tips](#) which we've compiled.
- Familiarize yourself with the [wikitext "markup" language](#) and experiment in a [Mediawiki sandbox](#) (external, reset often!)
- Track down some emails with good juicy information for Knowledgebase articles
- Follow along with the [wiki mailing list archives](#) and the [list of recent changes](#)
